Death of Mrs. McCully.

Mrs. Margaret J. McCully, the beloved wife of Capt. P. K. McCully, Sr., died at her home in this city last evening at 8:20 o'clock, and the announcement of her death brought sorrow to the hearts of a wide circle of friends, many of whom not knowing that she was seriously ill. She had been in feeble health for several months, but was not confined to her room until about two weeks ago, when she received a slight stroke of paralysis, which was followed by another last Friday. Though helpless from the first stroke, she remained conscious almost to the last moment, and passed away as if quietly going to sleep.

Mrs. McCully was a daughter of the late Robert Cathcart, who, in his day, was a well-known citizen of Columbia, where she was born and reared, and was 54 years of age. In 1867 she was married to Capt. McCully and came to Anderson, where she has ever since made her home. By this union seven children were born, four of whom survive her. In her girlhood she joined the Presbyterian Church, and throughout her life was a most exemplary member. She was of a very quiet, retired disposition, and by her many lovely traits of character made a friend of every acquaintance. The family have the sympathy of many friends here and elsewhere in their bereavement.

The funeral services will be conducted to-morrow morning at the Presbyterian Church by the pastor, Rev. J. N. H. Summerell, and the remains will be laid to rest in the churchyard.

Williamston Items.

The town topic of conversation is the Epworth League Conference, which begins Thursday night and extends through Sunday. About eighty names have been sent in to the entertainment committee, and a number of visitors are expected. Of the Methodist preachers who will be present prominent among them will be Revs. E. Olin Watson, Peter Stokes, S. B. Harper, W. L. Wait, J. Thos. Pate and others. Dr. H. N. DuBose, Secretary of the League of Southern Methodism, will arrive on Saturday, and we all are looking forward with much pleasure to his coming. Those who have heard Dr. DuBose at the annual conference give glowing accounts of his matchless eloquence and wonderful powers. Addresses of welcome on Thursday night will be delivered by Mr. G. S. Goodgion on behalf of the Williamston League and by Mayor Browne, representing the town. Of course, the delegates' welcome will be done up good and brown.

A lot of visitors have been in town recently, and the hotels and boarding houses expect to do a rushing business during the summer.

The cotton mill is already drawing people from far and near, and the demand for houses is on the increase.

Dr. W. H. Delk, originally from Savannah, Ga., but recently of Chandler's, Greenville County, has located here for the practice of his profession. J. C. Walker, D. S., of this County, has opened an office next door to the postoffice.

Mr. Irwin Breazeale and Miss Mary Lee Breazeale, of Anderson, were at Hotel De Mahaffey a short time ago, as were also J. R. Russum and J. T. Ligon, of Greenville, the latter representing the Greenville News.

Miss Mattie Floyd left to-day for Lowndesville, where she will spend a few weeks visiting her sister.

Mrs. Floyd, who has been fighting grip for some time, is convalescing.

Mr. J. Frank Gaines who resigned his position in Columbia and came home with the grip, has so far recovered as to be able to look after his interests among the fairer sex.

Messrs. G. H. Mahon and W. B. Lyons, of Greenville, were in town recently.

The site for the cotton mill has been chosen near the cemetery, on lands purchased of Maj. Anderson, Dr. Brown and the Crymes estate. It is a very desirable situation, and a \$200,000 cotton mill will add much to that part of town. The brick for the mill will be made on lands of Mr. J. A. Wallace, a short distance above Main street, near the creek.

Miss Maggie Garlington has been visiting relatives in Anderson this week.

Mrs. W. L. Pickel, of Honea Path, visited her mother at Mahaffey's Hotel a short time ago.

D. P. Posey came over from Spartanburg for a short while last week.

Mr. and Mrs. S. M. Johnson, of Anderson, have been engaged board at the Williamston Hotel and will be over in a few weeks.

Lud Hodges, who studied telegraphy here for several months, has gone to Union to fill a position there.

Death of T. E. Hampton.

Mr. T. E. Hampton died at his home in Abbeville County on Monday, April 23. He had been in feeble health for several months, being confined to his room a good portion of the time, where he suffered greatly from a complication of diseases. He bore his illness with patience characteristic of a true Christian, and was fully prepared to meet the summons. The funeral services were held at Rocky River Baptist Church on Tuesday, the 24th. They were conducted by his pastor, Rev. J. B. Herron, in the presence of a large congregation of sorrowing friends and relatives. At the conclusion of the services the remains were laid to rest in the churchyard to await the resurrection morn. Mr. Hampton was a son of the late Washington Hampton. In early life he married a Miss Milford, a daughter of Creg Milford. This happy pair was blessed with six children, four of whom survive the deceased and are still at home with their mother. Mr. Hampton was in his 59th year, was a loyal citizen, a good neighbor, a faithful Christian, a kind and affectionate husband and a loving father. He had been a consistent member of the Baptist Church for many years, his membership being at Midway Baptist Church, where he had filled the office of deacon in honor to himself and cause. But his work on earth is done and while we miss him in the home and in the Church, let us believe that our loss is Heaven's gain, and let us be submissive to Him who doeth all things well, for his death is like the sun that has set in the evening and left its gentle rays upon us that will rise again in the dawning with all the brightness of the morning.

PUELLAE.

Some Old Matters.

Mr. Editor: We copy the following from "The Anderson Intelligencer," of October 7, 1869, which will doubtless interest many of your readers of to-day:

The Markets.
Anderson, Sept. 29, 1869.
Cotton market quiet at 23 to 23 1/2; Corn, \$1.50 to \$1.75; Peas, \$1.40 to \$1.50; Bacon, 29 to 25; Flour, \$8.00 to \$12.00; Wheat, \$1.50 to \$1.75; Oats, \$1.00.

By Tuesday Evening's Mail.
Augusta, Oct. 4, 1869.
Cotton market opened firm at 25 for middling, but closed weak and to be lower, with sales of 460 bales—receipts 470.

Charleston, Oct. 4, 1869.
Cotton firmer—advanced 1/4 to 3/4; sales, 425 bales, middlings 25 1/2 to 25 3/4; receipts, 1,010.

New York, Oct. 4, 1869.
Cotton firmer and closed quiet with sales of 2,800 bales at 28c.

In the same issue we notice an article headed "Railroad Meeting," which meeting was "to take into consideration the propriety of aiding in the construction of the Air Line Railroad," with a view of securing its location through the city of Anderson. James L. Orr, who was chairman of the meeting, says of the speech delivered by Hon. J. P. Reed on the resolutions offered and adopted: "In supporting this preamble and resolutions, Mr. Reed made an earnest and effective speech, detailing the history of the enterprise from its inception to the present time, and impressing the audience with the necessity for action on the part of the citizens of Anderson."

Dr. W. C. Brown proposed to make one of one hundred persons to subscribe \$500 each at the proper time to the capital stock of the Air Line Railroad. This proposition was accepted by Maj. G. W. Cox and others.

We of the present day can see how near the A. L. R. is to us, and those who attended those meetings can see their folly in not raising the required amount to secure the road.

The Intelligencer was then in the hands of Hoyt & Co. This writer has several copies of The Intelligencer that was printed during 1869 and 1870, and they afford interesting reading.

Respectfully,
W. C. BARNETT.

Why "Mastic" is the Best!

We claim that...

Mastic Mixed Paint

IS the BEST, because it has lead and zinc as a base, in the proper proportions to get the best results, and is ground in pure linseed oil. It is honestly made; the same to-day, to-morrow and all time. It is absolutely pure, and contains no whitening, chalk, barytes or other adulterant. It dries with a beautiful gloss finish, not possible to obtain with hand-made paints. It has greater covering capacity than any paint on the market. It has been tried and tested for twenty years. It is not an experiment, but is the leading paint wherever sold.

In support of the above statements, we beg to call attention to the analysis and our guarantee. One of the strongest points in favor of Mastic Paint is the fact that the United States Government is using it on the forts and posts in Texas and the Mexican frontier, in a climate the most trying of any in the country on paints.
